

- Choose the **My Bids** option on the event page.

- The **Bidder Login** popup will appear.
- At the bottom of the popup, choose the "**Register here**" option.

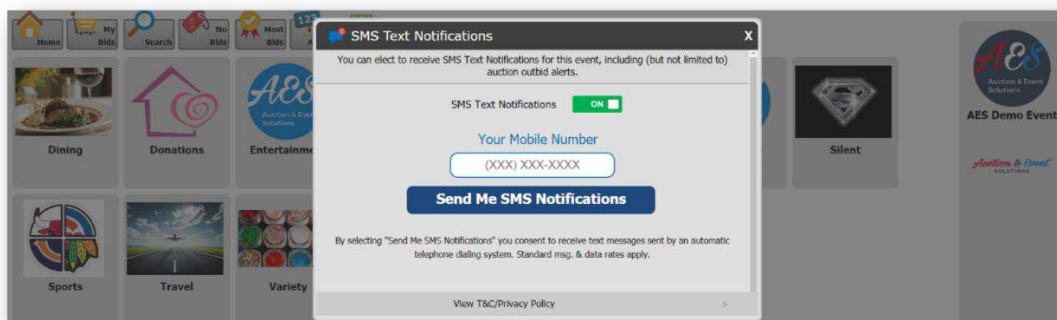

- The **Register for the Auction** popup will appear.
- Fill out the required information and choose **Register**.

- The **Enter Credit Card** popup will appear.
- Enter the Credit Card information and choose the **Process Card** button at the bottom of the popup.

- Next the **SMS Text Notifications** popup will appear. At this point you choose to opt in or opt-out for receiving event day text messages.
- When the slider is green, it is in the **ON** position and a cell phone number is required to move forward. Enter the cell phone number for the Patron and choose the **Send Me SMS Notifications** button.

- If you choose to opt out for messaging, click the green slider and it will turn the popup gray and the slider will say **OFF**.
- Notice that the popup now states that the mobile number is **NOT ON FILE**.
- Choose the **Opt-Out of SMS for this Event** button to continue.

- Now you should see a popup that states, "**Registration Complete!**" and a bidder number will have been issued to the Patron.
- Click the **Continue** button to return to the auction to start bidding.
